“

We hired an exceptional Staff Engineer and a Senior PM using Dover. The product helped us reach candidates with decades of experience.

Nicholas Bruno
Talent Forge

Read the case study

We discover candidates you actually want to talk to.

Dover uses a robust calibration process to deeply understand your requirements.

Then, our system evaluates prospective candidates on 50+ data points so we can find qualified candidates who are the best possible fit.

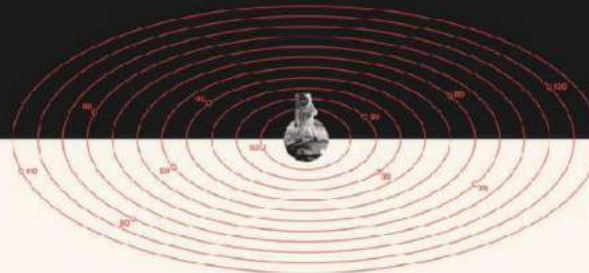

“

Dover helped us hire two phenomenal engineers for our first DevOps and Test roles. The product held up our high quality bar — and working with their team was fantastic!

Our growth expertise, your passion.

MEDITATION

TO MEDITATION

MEDITATION

TO MEDITATION

MEDITATION

We enable you to feel good.

Reduce stress

Running MEDITATION with your mind and body can help you effectively cope with the toughest stuff - like anxious thoughts and difficult emotions. It's proven, research-backed. By. Omelette.

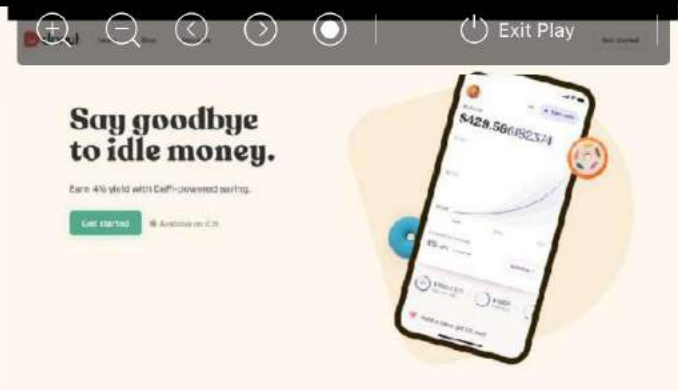

Increase productivity

LIFE IS BUSY. THERE IS SO MUCH TO DO. It's not just the to-do list that's overwhelming. It's the constant distractions. Unfocused mind and scattered energy can get in the way of your productivity. MEDITATION helps you stay focused and productive.

Reduce depression

Studies show that meditation, especially when paired with exercise, can lead to a 40% decrease in depression. Take out time for your body, mind, and soul. It's not just a luxury. It's a necessity.

JUST IN CASE I WILL BE AWAY

FOLLOW ME

Somewhere between staring at the screen and tilting my head the magic is done.

In Tomás Sebastián Stanislav, a digital designer extraordinaire in stand-out, talented. Currently, he's looking for a talented team to join and work some new badass skills while creating functional design. Passionate to meet you already.

However through my design journey I've been taught to ignore the nagging self-doubt, and to always take steps to succeed. For starters, instead of grumbling I set the flow. Happen.

FOCUS OF HIRING ME

More than a designer

Keep it stupid

I like to keep my work simple, relevant with one customer details and stunning typography.

Award-winner

Not yet. But with a combination of winning attitude and high ambition it'll be a future game changer.

Keen to learn

You know how to not be a beginner? Not by one. That's how I learn. Give small things Every Single Day.

Work hard

What would be the point if...

Play hard

I have said before: Every hard...

Every Design Builders home is unique

We design and build one-off, architectural homes throughout the North Island. Our design philosophy, templates, or blueprints, is customised to suit you. To create a unique home designed around your lifestyle, inspired by you.

The homes we create are all different, but they start with a vision. We work with you to create a unique home designed around your lifestyle, inspired by you.

You might think these homes designed around you are too expensive. But when you see them, you'll know they're worth it. Our process is built around you, including your budget.

Read our story

Is design growing your product?

Create an interface that lives value by teaming up with our studio to rethink and design it.

067011830193 [Get in touch](#)

Great interfaces set your business up for growth

The modern world's digital products with great user experience for design from above virtual. That is why successful tech startups are investing in top-notch user interfaces, because they are your life.

- Boost productivity**
Make your product more valuable for your users by boosting their productivity through optimized UI.
- Increase confidence**
Boosting an excellent UI increases customer's confidence in your application's ability as a whole.
- Grow your product**
Build a solid user product without spending much for implementing a design system.

We design great user interfaces that empower people and drive value

We know what makes interfaces great. Our team has expertise in UX, UI, and UI design to craft seamless processes and products. When our users interact with your product across devices, applications, and user-world touchpoints, that's how we empower people and drive value.

Making complex applications seamlessly simple and easy to use.

Rishi Humphrey
Senior Designer

- Native mobile apps**
Develop native iOS & Android apps that deliver unparalleled user experience.
- Web applications**
Develop web applications in the cloud that are optimized for performance.
- Desktop software**
Develop and release software solutions that are intuitive and reliable.

Professional Communication For Your Team

With Grammarly Business, every member of your team can communicate clearly, confidently, and effectively. That makes your business look good.
